PU , TPU

TPV

LSZH(LSOH)

XLPE

TEFLON

Silicone

**DM-PETM(Demagnetizing
Polyethylene) dielectric**

Customized material

Other Materials

Teflon Tape

Paper

Plastic Filler

**AL , ML, Copper foil
(Aluminum, Mylar)**

Cotton Yarn

**Cable mesh
(Nylon,PET, Glass Fiber)**

Customized Materials

Machinery

- Wrapping
- Stranding
- Braiding
- Shielding
- Extrusion
- Coiling
- Assembling
- Labeling
- Packing
- Cable Mesh Braiding
- Twisting
-etc

Packaging

- Plastic Spool
- Cardboard Spool
- Polywood Spool
- Mini Spool
- Export Standard Carton
- Pull Box
- Leather Box
- Cardboard Box
- Blister Pack
- Customized packages

Standard Export Carton Reference Data
Mark: Company's name in diamond + port
Submark: model number

Quality

Even the simplest cable is of vital importance at Jinwei with regards to its conductor focus, diameter tolerance, printing perfection ..etc.

Our quality is thorough and is ISO9001 standard which means of course that meticulous levels of inspection are carried out throughout production and up to despatch.
